Dear Parents:

Young children are fascinated by animals, and owning a pet is a good way to learn about them – the life cycle, the responsibility for caring for an animal, and the companionship of a pet.

Baby Bop's trip to the pet shop with Barney and BJ provides a fun guessing game for young children. It also introduces the young reader to a variety of familiar and unfamiliar animals that make good pets. The introduction of each animal can spark discussion about the characteristics and specific needs of that pet. "Miss Patty's Pet Shop" may be the perfect place for discovering which pet is right for your family.

We consider books to be lifelong gifts that develop and enhance the love of reading. We hope you enjoy reading along with Barney, Baby Bop and BJ when they visit the pet shop!

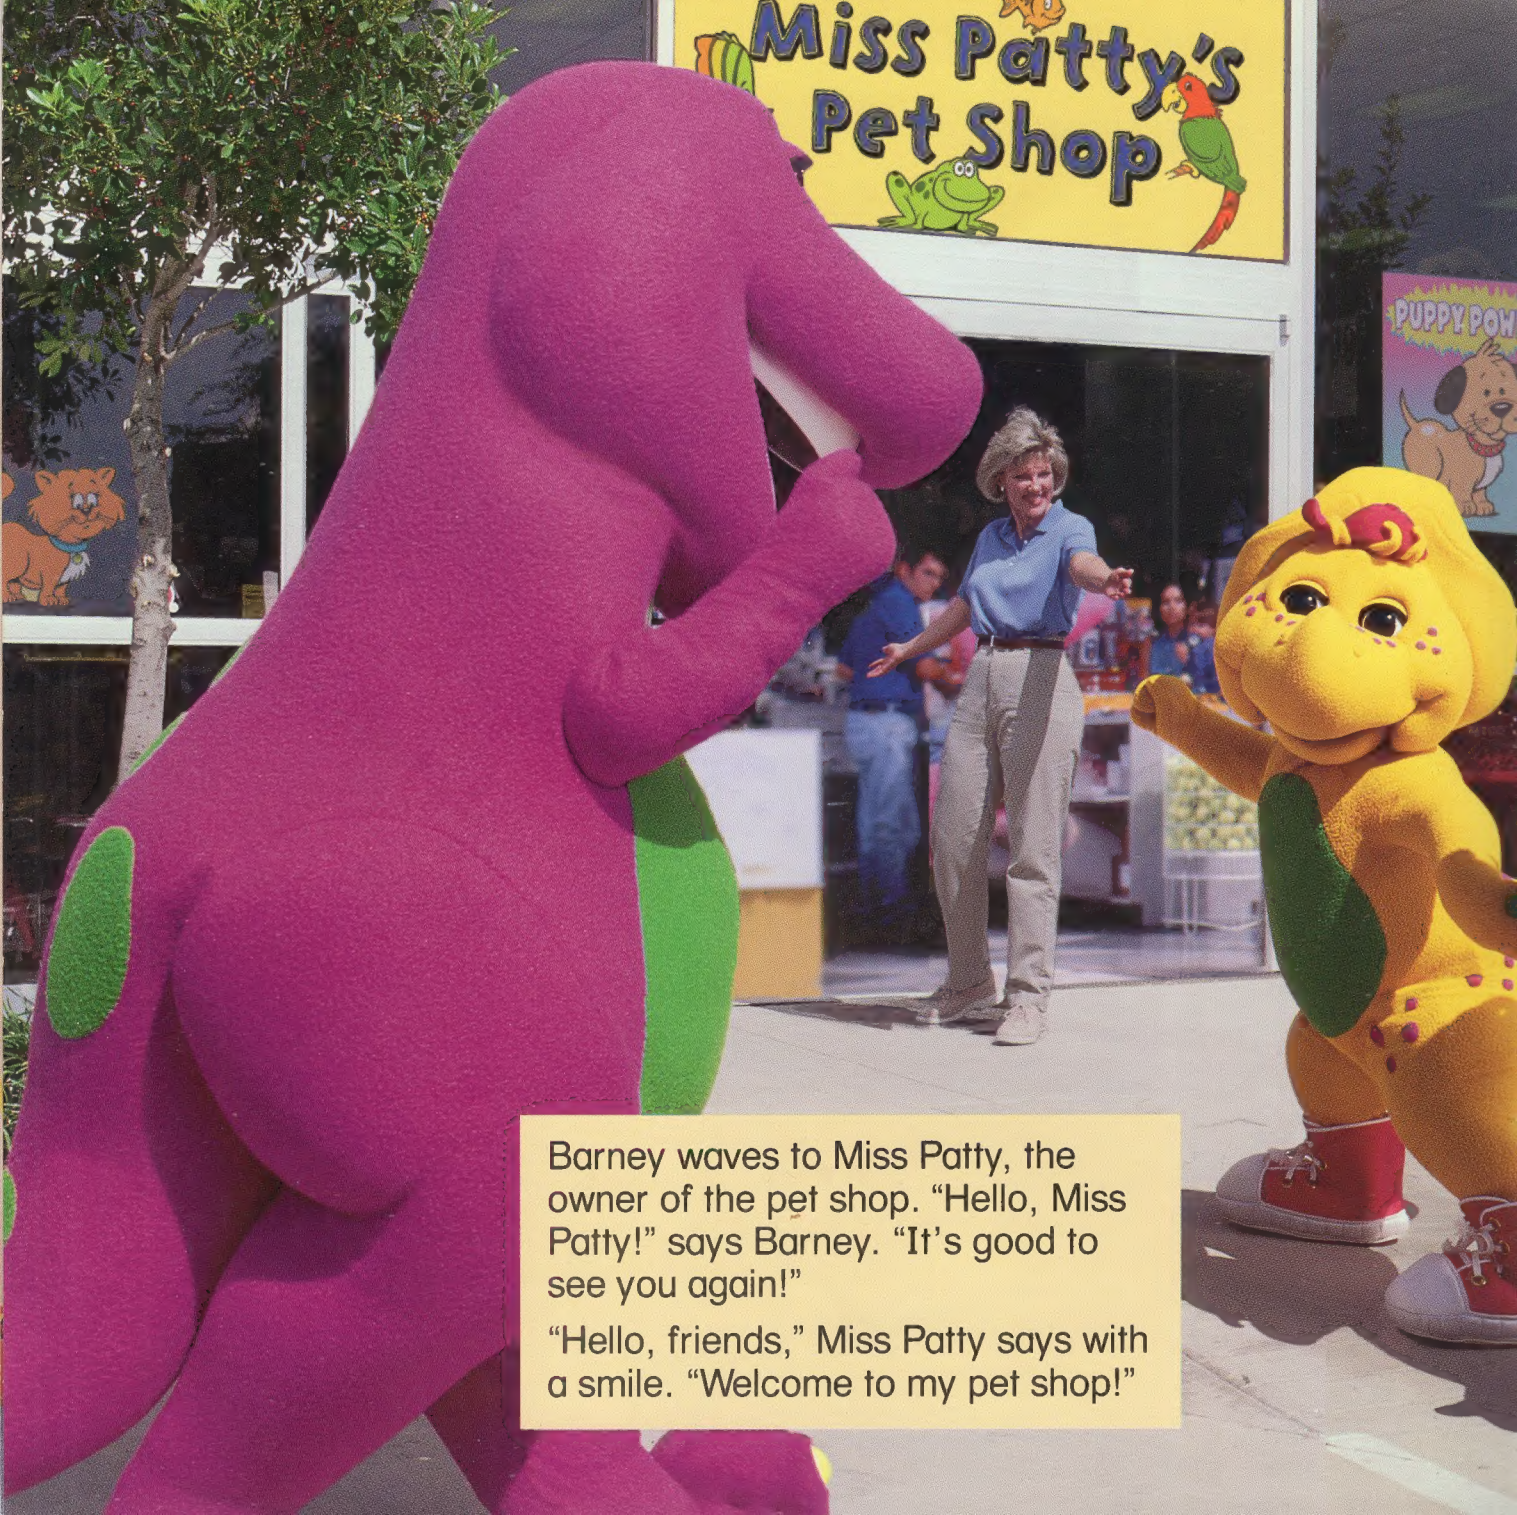
Barney™ Goes To The Pet Shop

Written by Mark S. Bernthal • Photograpy by Dennis Full

One day, Barney and BJ find Baby Bop happily shaking coins from her piggy bank. "I'm going to the pet shop to buy a birthday present," she says. "Do you want to come with me?"

"Sure!" answers BJ excitedly.
"The pet shop is cool!"



Barney waves to Miss Patty, the owner of the pet shop. "Hello, Miss Patty!" says Barney. "It's good to see you again!"

"Hello, friends," Miss Patty says with a smile. "Welcome to my pet shop!"

"I'm looking for just the right birthday present for a very special animal friend," says Baby Bop to Miss Patty. "Can anybody guess who my friend is?"

"Miss Patty has lots of nice things for cats," says Barney.

But Baby Bop shakes her head saying, "No, my animal friend isn't a kitty."

"Are you looking for something for a turtle or a lizard?" asks BJ.
"No," answers Baby Bop with a giggle. "Keep guessing!"

"Are you looking for a birthday present for a pretty bird like these?" asks Miss Patty.

"Nope," answers Baby Bop. "My special animal friend can't fly."

"These fishies are very pretty," says Baby Bop to Barney, "but my animal friend doesn't like to swim."

Miss Patty shows Baby Bop some shelves with lots of foods, toys, brushes, shampoos, beds and homes for all kinds of pets.

"Aye yie yie, Sissy!" shouts BJ impatiently. "You'll never find a present for your friend!"

Suddenly, Barney smiles and points to another part of the pet shop!

"I think I've guessed who your friend is," laughs Barney. "And I think I know what you want to give her for a birthday present!"

"I think your pet hamster, Harriet, will be very happy with this hamster gym!" says Barney with a smile.

"You guessed it!" answers Baby Bop.

"Look, Sissy!" says BJ. "Harriet loves her jungle gym!"

"Yes," agrees Baby Bop, "it's the perfect birthday gift for her!"

"It certainly is," chuckles Barney.
